

## **Portrait Photography Pricelist**

### **Session Fee:**

- There is a charge of € 70.00 for your portrait session. This typically takes 40 - 50 minutes and in this time we can take pictures of a number of people, children and or adults.
- The fee also covers a viewing session which typically takes place within a few days of your portrait session. This is where you select your chosen photos by viewing on our flat screen monitor.
- Following your viewing session we will discuss your chosen photographs and offer a range of contemporary frames in different sizes to display your images.
- Below is current pricing for both unframed and framed prints.

### **Unframed Photographs:**

<b>Print Size</b>	<b>Price for First Print*</b>	<b>Subsequent Copies**</b>
