

Portrait Photography Pricelist

Session Fee:

- There is a charge of € 70.00 for the portrait session. This typically takes about 50 minutes and during this time we take a variety of different portrait setups, different poses and groupings.
- The fee also covers a viewing session which typically takes place within a few days of your portrait session. You view photos on a large display monitor in the studio.
- You can then choose to buy photographs, framed photographs or canvas display photos. If you prefer you can also elect to purchase digital photographs from your portrait session.

Unframed Photographs:

The sizes below are just some standard sizes we offer, others are available on request.
